

# *Classics and Chrome*

Thank you for your interest in Classics and Chrome 2010. Enclosed is an application form for our 10<sup>th</sup> Annual Classics and Chrome show, Classics and Chrome 2010 takes place Saturday and Sunday, April 17-18, at the Indoor Sports Center, 8800 E. Riverside Blvd., Loves Park, IL 61111.

Since its premiere in 2001, Classics and Chrome has attracted close to 25,000 car lovers. As you may know, the show is also an important fundraiser for Keith School. As a participant, you help support Keith's long tradition of providing the finest in college-preparatory education for students in Rockford and the surrounding region.

This regional event takes place in a large indoor facility featuring overhead doors for easy delivery by commercial haulers if needed. We seek 100 or more outstanding vehicles in eight classes. There is no entry fee. See last year's show online at [www.classicsandchrome.com](http://www.classicsandchrome.com).

- The car-selection committee will respond individually to each applicant. The committee reserves the right to jury all cars based on aesthetics, space available and number of vehicles in a particular class at the time an entry is received. In an effort to introduce new cars, we must restrict the acceptance of vehicles shown in previous years. With this in mind, please consider entering another vehicle in your collection or pass the application on to a fellow car owner.
- Just prior to the event, we will mail a confirmation packet to each participant selected. It will include: tickets to the show that you may share with friends, a schedule, logistics, maps, and hotel information.
- Prizes will be awarded for the Peoples' Choice/Best of Show, Committee's Choice/Best of Show and Participants' (Owners') Choice/Best of Class. The competition between cars is based solely on aesthetics and appearance. Because this is a select show, we consider each car a winner! Therefore, each owner will receive a trophy for being a participant. The presentation of trophies and awards will take place Sunday, April 18 at 3:30 p.m.

Return your entry to Keith School, 1 Jacoby Place, Rockford, IL 61107. Please include a photo and information on what makes your car special. Are you the original owner? Does your vehicle have a place in automotive history? Does it have a racing history? You may also submit your application and/or photo via [carshow@keithschool.com](mailto:carshow@keithschool.com). Additional application forms are available online at [www.classicsandchrome.com](http://www.classicsandchrome.com).

See you at **Classics and Chrome 2010!**

Sincerely,

Vince Zammuto, Event Co Chair
